

So, where is the line between sexual harassment and a joke? It all depends on consent.

**WORKPLACE
SEXUAL
HARASSMENT**

WHY DRAW THE LINE

Almost half of women will say they have experienced sexual harassment at work. When we choose to look away, we quietly support a threatening & intimidating workplace.

WHEN TO DRAW THE LINE

Sexual harassment is unwanted, unwelcomed and unasked-for behaviour of a sexual nature.

HOW TO DRAW THE LINE

There is always more than one option for a bystander. Take a stand safely and do something that you feel comfortable with. You could:

- Call him out and tell him you think it's unacceptable
- Call your supervisor and tell them there's no place for sexual violence in the workplace
- Check in with your co-worker and ask if she's ok.

IT HAPPENED TO ME

Remember, it's never your fault. You're not alone. Tell someone you trust.
